HP Cone Crusher & C-Series Jaw Crusher Seminar

February 17-18, 2015

Sponsored By:

Register by
Jan. 21, 2015
and receive a
\$75.00
per person
discount.

HOW TO REGISTER:

Simply complete the enclosed enrollment form and mail, fax or email it to:

*Training Coordinator
Linda Pauer
Metso Minerals Industries, Inc.*

20965 Crossroads Circle
Waukesha, WI 53186

Fax: 262-717-2568

Email: Linda.Pauer@metso.com

WHAT YOU GET:

- Electronic Instruction Manuals
- Colored Training Guide that includes: technical data sheets, quizzes and log sheets
- Lunch on both days
- Morning and afternoon refreshment breaks
- Certificate of course completion

WHO SHOULD ATTEND:

Our seminars are designed for plant maintenance personnel, plant operators, welders, lead men, mechanics, engineering personnel, management trainees and production planners who work in the crushing environment.

This seminar is not a sales presentation! It is a seminar that is intended to instruct our customers on proper operating and maintenance techniques of our equipment. The seminar is nuts & bolts in nature designed to decrease operating costs.

HOW TO PAY:

Checks written for the registration fee should be made out to Metso Minerals Industries, Inc.

Fees are payable in US funds. Upon receipt of your registration form, Metso Minerals Training Department will fax or send you a letter of confirmation with additional information on this seminar.

IMPORTANT INFORMATION:

If your plans change, you may register a substitute at any time before the program starts. To cancel, you must let the Metso Training Department know seven (7) business days prior to the start of the seminar. Failure to do so will result in a \$150.00 cancellation charge. Cancellations made after the start of a seminar are subject to the full tuition fee.
